

Mayor's Luncheon

Please join me for the **5th annual Mayor's Faith Community Luncheon, Wednesday March 3rd, 12:00 noon at the Salinas Valley Community Church Auditorium. 368 San Juan Grade Road Salinas, CA 93906**

I will have some personal thoughts specifically for the Faith Community leadership. In fact I think that what I have to say might surprise you. I'll leave that for the luncheon.

The City is supposed to provide police, fire protection and other vital city services, but we are not chartered to take care of citizen's souls.

What we need is a vital partnership between the City and the Faith Community. Only the Faith Community is uniquely situated to meet many of the challenges that face our city today. I know that many of you have recently been challenged to

reach out to your neighborhoods through prayer and the meeting of needs.

At the City we are prepared to help you meet some of those needs. Let's discuss how we can work together at this year's Faith Community Luncheon.

We will have the privilege of hearing from some other leaders in our community about some specific opportunities to reach out.

Let's hear about these exciting transformational ministries that are happening and get to know and pray with other **Faith Community** members.

We have moved the luncheon to the Salinas Valley Community Church auditorium in order to minimize our cost and to take advantage of their hospitality and excellent facilities. The luncheon will be on

March 3rd from 12 – 1:30PM. The doors will open at 11:30am for fellowship. Please arrive early so we can get everyone seated and the program started. We will start and finish on time.

While the luncheon is being sponsored by the business community, please be prepared to offer \$5 at the door to help defray costs. Please accept this invitation to pull our City together through faith. I look forward to seeing you.

Sincerely,

Dennis Donohue

Salinas Mayor
