OUR 4TH AWAKENING---THIS YEAR?

When we seriously consider the unparalleled levels of corruption and wickedness in which our nation is engulfed our righteous God has no choice but to pour out His wrath *if we don't respond to His pleas!* We must understand that **THERE COMES A TIME WHEN A NATION'S CUP OF INIQUITY IS FULL** and the Almighty absolutely has to judge, even destroy a people! **This question begs an answer: are we there...or almost there?**

Remember, for example, why God in His omniscience foretold the future destruction of the nations living in Canaan, the Promised Land? Have you ever seriously considered His prophecy to Abraham we find in Genesis 15:13, 16? "*Know of a surety that thy seed shall be a stranger in a land (Egypt)four hundred years ...But in the fourth generation they shall come hither (to the Promised Land) for the iniquity of the Amorites is not yet full.*" ---but would be! God gave them another 400 years to repent, but in His foreknowledge He knew they wouldn't and so must destroy them! Lesson: when any peoples' cup of iniquity is full the Lord has to judge! That's profoundly serious, isn't it?

The vital question now...today here in America is: is our cup of iniquity brimful or almost so? Considering the levels of iniquity here in our homeland we have to realize it's full, maybe almost overflowing! We're at the danger point! *It would seem that the Lord is weighing America!*

We need not delve into the appalling levels of corruption in which our beloved homeland is drowning! It is abundantly evident! The phenomenal increase in knowledge as was predicted by Daniel 2500 years ago has resulted in unparalleled, new levels of corruption! Just consider for a moment the influences of TV, the internet, the movie industry and much, much more which has resulted in unbelievable depths of sexual perversion and addictions. *When some statistics say that up to even 40% of ministers are hooked on pornography we are aghast, sick at heart, yes, wondering, then, just what percentage of the nation is enmeshed in sexual perversion! Yes, even our precious children....young people!*

And remember this, too: *when a people...a nation go totally berserk morally it's in it's final stages!* The end is near! Let's not forget what Alexander Tyler, a Scottish history professor declared about every previous civilization---**the final stage has always been a total moral collapse, sexual perversion!** Hearing this makes one shudder! So, so tragically, America is there today....now! It grieves me to have to say this, but it is imperative that we be totally honest about it. Right?

So, so sadly or, better said, terrifyingly, I fear we've reached that level of corruption! It's sickening! Hear this: "President Obama's new appointee over the education department, Kevin Jennings, (founder of Gay Lesbian and Straight Education Network) held a conference for students in Massachusetts where the children were taught how to perform some of the most perverse sexual acts – Gary Kreep, *United Justice Foundation* President.. Sean Hannity reported the same Tuesday, December 8! Hearing it absolutely sickened me! Without doubt America's hit bottom when we are unabashedly teaching our children such vile behavior! Without a doubt we as a nation today are on the fast track heading for divine wrath, UNLESS, THAT IS, WE REPENT...GO TO OUR KNEES IN PROFOUNDEST REPENTANCE AND CONCERN!

This virtual worship of sex has resulted in the never ending murder of millions of precious babies! Multiple other evils plague us, too: greed, divorce, murder and, of course, the rejection of God's Word and Jesus Christ, the Savior! Yes, and the ever-increasing millions, and especially our children and youth, being engulfed in all this vile deception. **One could go on without limit, but that's not our focus!** Rather, it's **the declaration of the facts as to where America really stands today.**

THIS IS A VERY, VERY STRONG WARNING! It's a passionate call to God's people...to the Church in America! It's not a time to throw up our hands in despair! O, Church, WHY ARE WE NOT SO ABSOLUTELY APPALLED, FILLED WITH A HOLY FEAR, yes, of looming Divine wrath BECAUSE OF THE CORRUPTION AND WICKEDNESS THAT WE ARE MOVED TO TAKE ACTION, to go to our knees, to weep and travail in agonizing intercession for God to move...to send our fourth awakening? It's now or never!

AND HEAR THIS, BELOVED. **It is not a time to throw up our hands in despair!** Nor is it a time to give up! Never! Never! IT'S A TIME TO STAND UP, TO SPEAK UP, TO REPENT, O CHURCH, of our failure to be the salt in our society to stop the escalating spiritual decay! It's time for us to arise and shine and expose boldly, unceasingly the corruption with the truth...God's Word! Oh, Church of Jesus Christ! Boldly, unceasingly proclaim it! Yes! The truths of God's Word: to repent and cry out to God! There is a hell! Jesus Christ alone can save us! Shout it!

IT'S A TIME TO AWAKEN TO THE SERIOUSNESS OF THE HOUR, **yes, and to thank God that the judgment we deserve has not yet been out-poured!**

-2-

AGAIN I REPEAT IT! **Our God NEVER wants to punish or destroy a people! He longs to forgive, to bless** and to have millions experience more and more of His love and blessings! Our merciful God yearns even passionately for a nationwide stirring of His people who will now....this month....this year...2010....A.S.A.P take the lead in true repentance and cry out for mercy, yes, another awakening!

Do soak in the awesome message of Judges! Yes, it's the very sad story of Israel, God's people, who for four hundred years kept falling again and again into the sins of the surrounding nations! This is a vivid portrayal of humankind! **But most of all it is a glorious portrayal of the Almighty's forgiving heart!** EVERY TIME ISRAEL TRULY REPENTED AND CRIED OUT IN ABJECT REPENTANCE HE SENT DELIVERERS AND RESCUED HIS PEOPLE! The message? God never, never, never wants to judge or to destroy! He longs passionately, unceasingly that we repent and seek His forgiveness so He can pour out His unlimited blessings! Do we *really get it?* Oh, that the Church might truly grasp this and unite to seek His face right now---beginning this month, January, 2010!

**Now here is the really, really GOOD NEWS!
Did you know?**

in 2010 during the Azusa Street Revival that reverberated around the world
there was a prophecy that stated...

**in 100 years there would be another even greater awakening!
Get it?**

That is NOW.....this year---2010!...

"Americans are now in desperate need of a fresh Christ Awakening. Over the last few months our economy has been deeply shaken. Overall church attendance continues to decline across the nation. America's now the third largest MISSION FIELD in the world and an entire generation is growing up with little understanding of absolute truth. Yet, in what appears to be a very trying time for the Church in this nation, we BELIEVE THAT AMERICA IS ON THE VERGE OF A SWEEPING MOVE OF GOD'S SPIRIT THAT WILL TOUCH EVERY STATE, EVERY COUNTY AND EVERY HEART. Americans are now in desperate need of a fresh Christ Awakening.

The historical patterns of AMERICA'S GREAT AWAKENINGS indicate that it is in precisely this type of seemingly hopeless national environment that God chooses to move in response to the cries of His people. Historically, when the people of God have set aside their differences to come together across this nation in extraordinary, united prayer, God has heard from heaven and responded with great outpourings of His Spirit."—quotes from Cry Out America

Beloved intercessor! How we thank God for YOU!

*Absolutely without a doubt it's because **you** have faithfully stood in the gap for the land that judgment has **not** come! Thank you for being faithful, oftentimes standing alone in your home...in a closet...or elsewhere you have wept for America, you have shed burning tears of repentance and sorrow as you have stood even countless times in the gap! Or at times uniting with others who carry that same heavy burden for our nation! *With all my heart I firmly believe that **your prayers** as well as the many other beloved intercessors across this nation **are the reason America has not been judged already!** Only eternity will reveal the awesome effectiveness of your unceasing travail. A thousand times over---thank you, thank you! But NOW---**

standing on our God's glorious promise 100 years ago---let's earnestly, unceasingly believe for that promised outpouring....awakening **THIS YEAR---2010**--- knowing with absolute certainty that He both yearns to so bless us and He will hear our cries! Hallelujah! Let's get excited! Let's each anticipate with unparalleled joy *it's coming soon....this year!* **Let's THINK: AWAKENING....revival!** LET'S BELIEVE THAT EVEN COUNTLESS NUMBERS OF GOD'S PEOPLE IN EVERY STATE, YES, AND EVERY COUNTY WILL RESPOND TO THE DEEP TUGS OF THE HOLY SPIRIT **moving them to seek and expect that outpouring of His Spirit now...THIS year.** Glory! Hallelujah!

INTERNATIONAL HOUSE OF PRAYER AWAKENING

Could this be the beginning of the awakening we're travailing for?

*International House of Prayer University (IHOPU)report **this current awakening event that still is going on.*** I know because I called the school and asked them. Oh, that this might be the beginning of that longed-for nationwide awakening many of us have been praying for!! It's imperative that we pray unceasingly for every IHOP prayer center nationwide. Is it not awesome that there are International Houses of Prayer (IHOP) in cities all across America? For months, no, years there has been virtually unceasing prayer as these committed intercessors continue in prayer!

"On November 11, during a 9 a.m. class students, led by Allen Hood and Wes Hall, the Spirit moved in their midst with physical healings, deliverance and a spirit of joy. That class continued for more than 15 hours. The word spread quickly and over 2,000 people spontaneously gathered in the auditorium from all over the Kansas City area as deliverance and physical healings increased. Recognizing that the Spirit was moving the leadership canceled all classes for the next few days so that we could gather to receive all that the Spirit wanted to do.

"We recognize that the Holy Spirit is awaking our students and many others. In these meetings many people are being set free from addictions, shame, depression, demonic activity and every sort of emotional pain. We are also witnessing an increase in physical healings as God is touching and restoring bodies at the gatherings as well as healing people watching via webstream. Moreover we greatly rejoice as we are seeing lost souls being added to the kingdom. We are receiving many testimonies that this move of the Spirit is spreading to other churches and prayer rooms that are joining with us each night via the webstream.

"It all really began November 4 on the last day of the monthly Global Bridegroom Fast at the International House of Prayer of Kansas City (IHOP-KC) A move of the Holy Spirit began to stir during the student chapel as students testified about receiving deliverance from self-hatred, shame and depression. Students began to experience supernatural joy at the revelation of God's love for them. A powerful Spirit of joy rested on many the next day at the IHOPU student-led 6 a.m. prayer meeting and the Spirit continued to move throughout the classes and during faculty meetings.

"Visitors are pouring in from many places, with some driving over 1000 miles to participate. Consequently we moved the prayer room to our Forerunner School of Ministry sanctuary to accommodate more people. We will continue these nightly meetings as the Holy Spirit leads.

"Throughout history, college and university campuses in our nation have been an epicenter and a catalyst for spiritual awakening. Since the 1700s, our nation has witnessed multiple moves of the Holy Spirit that have touched and awakened students on college campuses, including Princeton University, Yale University, Ashbury College, Wheaton College and more than a dozen other college campuses. These spiritual awakenings often progressed beyond the campuses and resulted in a great number of souls being added to the kingdom of God...History also attests to a strong correlation between spiritual awakening and missionary movements.

"We pray that this spiritual awakening that is touching IHOPU and the rest of our IHOP-KC Missions Base will break out all over our nation in different cities."

Challenge:

HERE'S SOMETHING TO REALLY PRAY THROUGH ABOUT: *in every awakening here in America God has raised up anointed revivalists, MEN WHO HAVE BEEN SO FILLED WITH THE HOLY SPIRIT that whenever and wherever they proclaimed the Word of God the Holy Spirit Himself would fall upon even the masses they invariably cried out in repentance, oftentimes falling to the ground to rise up late totally transformed by the power of God!* Such were Jonathan Edwards, George Whitfield, John Wesley, Charles Finney, Dwight Moody to name but a few!

Beloved, PRAY, oh, passionately THAT NOW...TODAY AGAIN IN AMERICA God will call out and mightily anoint some chosen vessels. This need is urgent!

“OH, THAT THOU Wouldest RENT THE HEAVENS, THAT THOU Wouldest COME DOWN, THAT THE MOUNTAINS MIGHT FLOW DOWN AT THY PRESENCE. AS WHEN THE MELTING FIRE BURNETH, THE FIRE CAUSETH THE WATERS TO BOIL, TO MAKE THY NAME KNOWN TO THINE ADVERSARIES, THAT THE NATIONS MAY TREMBLE AT THY PRESENCE! WHEN THOU DIDST TERRIBLE THINGS WHICH WE LOOKED NOT FOR, THOU CAMEST DOWN, THE MOUNTAINS FLOWED DOWN AT THY PRESENCE. FOR SINCE THE BEGINNING OF THE WORLD MEN HAVE NOT HEARD, NOR PERCEIVED BY THE EAR, NEITHER HATH THE EYE SEEN, O GOD, BESIDE THEE, WHAT HE HATH PREPARED FOR HIM THAT WAITETH FOR HIM

1. AUDIT THE FED PETITIONS --- Bills H.R. 1207 in the House & S 604 in the Senate

Campaign for Liberty's Ron Paul writes, "Right now we are seeing the worst plundering of a country's wealth in the history of civilization, led by an out of control Federal Reserve. But you and I together can put a stop to it all . Just think about the scope of the problem for a minute: the massive, outrageous amount of dollars committed to the economic bailouts this year. This bill already has over 300 co-sponsors! .What better way for Congress to do this than by auditing the Federal Reserve to account for the trillions stolen from the US. taxpayers?

More and more Congressmen are already feeling the pressure are signing up to support this bill. When that happens you and I must be ready to fight! And it's a bill we can pass and one that is vital to exposing the massive corruption and dollar manipulation at the Federal Reserve. We've already contacted 5 million activists nationwide through mail, phones and email to generate petitions to the U.S. Congress demanding action. "

Comment:

What courage, yes, and faith is needed to lead such a move! It's imperative we pray much for Ron Paul and his co-workers standing on our Lord's promise, "*If ye have faith as a grain of mustard seed ye shall say to this mountain, Remove to yonder place; and it shall remove.*" As we pray about this serious situation we need this kind of faith! God help us!

2. CITIZEN'S UNITED'S Dick Morris writes,

"Catastrophe: Obama, Congress and the Special Interests are transforming a slump into a crash, freedom into Socialism and a disaster into a catastrophe! My friend we need to get moving before President Barack Obama fully implements his radical political agenda! Because after he has destroyed our economy and surrendered to our enemies it will be too late. It's clear to me that our President has a plan to scrap the economic freedom and liberty that led to America's greatness and replace it with European socialism. Putting it all together: he's taking over private industries like banks and car companies; he's socializing medicine; he's doubling utility bills. He's borrowing record amounts of money; he's increasing taxes by over \$1 trillion! It's a catastrophe!" Citizen's United is the Capitol Hill watch dog you can count on to guard your family's values and our national sovereignty."

3. SAVE TALK RADIO – Brent Bozell, President and Founder writes,

“ You may have heard that **the main threat to talk radio---revival of the old “Fairness Doctrine”---has been defeated and the liberals have given up trying to regulate conservatives off the nation’s airwaves.** Nothing could be further from the truth! The left has just gotten much more sneaky and dangerous *in their attempts to silence all effective opposition to their agenda.* The time for talk is over! **It is time for every active conservative in America to take action.**

We are working feverishly to help stop this leftwing master plan to silence all conservative talk show hosts! The Left wants to abolish talk radio because they know it will be much easier to push radical proposals through Congress to dismantle the free enterprise system that creates millions of jobs and the greatest prosperity in history. **Recently by a whopping 87-11 vote the U.S. Senate passed the “Broadcaster Freedom Act.”** Happily, this act forbids the FCC from reinstating the old *Fairness Doctrine* without Congressional approval. Now hear this!

The left now has a **new plan to silence conservative talk radio**---an amendment by Senator Dick Durbin, called *the Durban Amendment* that I call “Stealth Fairness Doctrine.” It’s the Fairness Doctrine by another name! This is more dangerous because Obama’s FCC may now be empowered to immediately pull the broadcast licenses of radio stations! If passed the *Durban Amendment* will be absolutely devastating to talk radio! “

Challenge:

Can you even imagine all radio and airwaves totally controlled by a liberal, anti-Christian government? Well, if it passes that’s what it will be! It’s imperative we pray, take action! Flood Congress with letters, calls! **Pray for Media Research Center** – 325 S. Patrick Street, Alexandria, VA 22314.

4. UNITED JUSTIC FOUNDATION’s Gary Kreep writes, (PO Bx13637, Houston, TX 77219) This will anger, sicken you!!

“Believe it or not, *the man charged with keeping our nation’s schools safe is an open homosexual who founded a nationwide organization that targets school kids with radical homosexual propaganda.* What’s more, this Barack Obama appointee, *Kevin Jennings* who founded **GLSEN** (Gay, Lesbian and Straight Education Network) held a conference for students in Massachusetts where the children were taught how to perform some of the most perverse sexual acts (so disgusting I cannot describe them)...At the end middle school and high school students were handed a “*Little Black Book –Queer in the 21st Century*” pamphlet containing a “handy-dandy condom guide”---complete with photographs, a list of homosexual cards “for the discerning queerboy,” and a discussion of which homosexual sex acts are most likely to spread STDs”

Incredible! The fact is, the Obama machine is coming after you as it launches what I’ve dubbed the “*Campaign against the Family*”!! I need your help! You see, **Obama’s agenda**---from top to bottom---**is stridently anti-family** and he’s doing all that he can to push through as much radical legislation as possible!

Pray! Act! Mobilize! Speak up! Save our children---in America’s schools! All being taught lies, corruption!

5. JUSTICE, LIFE & FREEDOM - Jay Sekulow, American Center for Law & Justice ACLJ) writes,

“Stand with us as we push for **the essential pro-life amendment to remove abortion funding from the health care bill** being considered which was crafted by Senator Majority Leader Harry Reid! It is problematic, especially where it concerns life or, rather, a complete disregard thereof. It also includes mandatory abortion coverage, it weakens conscience-clause protections for pro-life medical professionals and it fails to prevent abortion referral in school-based health centers.

“**We’re fighting to preserve our nation’s religious heritage from groups ruthlessly seeking to destroy it**---like *Freedom From Religion Foundation* and *ACLU*. We’ve filed briefs in a *Planned Parenthood* case, holding them accountable to an alleged multi-million-dollar taxpayer scheme. Pray the *Hatch Amendment* which would remove abortion funding from health care reform legislation pass in the Senate

6. MUSLIM INDOCTRINATION IN OREGON – special report by Christian Action Network write,

“School Superintendent Don Grotting says the Islamic program is mandated by the State of Oregon. One parent, Kendalee Garner, says her teenage son is being “indoctrinated” when asked to dress up as a Muslim and then taught prayers and scriptures from the Koran. Muslim students are given a “prayer” room when no such room is available to Christians or Jews.. Non-Muslim students must remove shoes and be separated according to sex when entering the prayer area. **At least 17 universities have foot baths built or under construction**, including Boston University, George Washington University and Temple University. At least 9 universities have prayer rooms for Muslim students only including Stanford, Emory and the University of Virginia. Students are required to create a pamphlet which would teach about Islam and discuss the Five Pillars of Islam. **Students are taught the United States is a “Judeo-Christian-Muslim” nation!**

Challenge:

Reading this should make each of us burn with righteous indignation! This is---was---Christian America! How is it possible that this is happening here in America? It’s because we, Christ’s followers, have capitulated, compromised, stopped taking a stand for God’s Word and our Savior, Jesus! O, Church! Speak up! Stand up! Take back all our lost territory---for Christ!

6. SANCTITY OF LIFE SUNDAY – JANUARY 24

7. MARCH FOR LIFE – January 21, 24

Washington DC – The 37th annual *March for Life* will rally at noon on *Friday, January 22* at the Mall in Washington DC. A Pro-life Conference will also be held over the weekend at the Hyatt Regency, Washington, on Capitol Hill. More than 54 million babies have been aborted---murdered---since 1973! How we need to repent! For more information: www.marchforlife.org

8. ANNUAL “ONE THING” CONFERENCE - December 29-31

Every year Lou Engle, founder and leader of *The Call* and *The Cause USA*, together with Mike Bickle, President of IHOP University in Kansas City, call intercessors across the nation to gather and unite in intercession for America! Though separated by many miles let's especially remember this gathering in prayer, asking for the windows of heaven to be opened on them---and America! *Oh, that there be such a mighty move of the Holy Spirit that it will usher in the beginning of the Fourth Awakening* we need so desperately! Anyone can participate in the conference via the internet---IHOP.org. (TEL:816-285-9358 / 816-285-9396)

9. CALL TO 21 DAYS OF FASTING AND PRAYER – January 1-21, 2010!

“Passionate leaders across the nation united in prayer following the 9/11 attack. **Today** as we enter 2010 ***Cry Out America*** has sent out **a clarion call for churches and intercessors across the nation** *to commit to fasting and prayer the first three weeks of the new year!* How absolutely exciting! Oh, that even millions of Christ's followers nationwide respond to this appeal and make time to cry out of the much-needed outpouring of His Holy Spirit in another awakening here in our America! **It's coming hinges directly on us, His followers, and our prayers...our total response to our God's pleas and promises in Joel.**
